

Aluminum Alloy Casting manufacturer,China Aluminum Alloy Casting,Aluminum Alloy Casting suppliers

Product Name:	Aluminum alloy Casting
Model:	QLA010,QLA015
Features:	<ul style="list-style-type: none">Highest operating temperaturesOutstanding corrosion resistanceLight weightVery good strength and hardnessGood stiffness and strength-to-weight ratioExcellent EMI shielding propertiesExcellent thermal conductivityHigh electrical conductivitygood finishing characteristicsFull recyclability <p>Aluminum alloy Casting Manufacturer in china, Aluminum alloy Casting Supplier in china, Aluminum alloy Casting Factory in china, Aluminum alloy Casting Exporter in china</p>
