

Aluminum Die Casting manufacturer,China Aluminum Die Casting,Aluminum Die Casting suppliers

Product Name:	Aluminum gear cover
Model:	QLD025
materials:	A101
Weight:	Depending on the actual design Finish: Blasting, Polishing, Coating, Painting ?
Product Name:	Aluminum outer cover
Model:	QLD005
materials:	ZLD102
Weight:	Depending on the actual design Finish: Blasting, Polishing, Coating, Painting ?
features:	<p>The pressure die-casting particularly suitable for high volume runs, faster production rates, and cheaper component cost than other methods. Tighter tolerances, thinner walls and better surface can also be achieved. Our main products include auto parts, motorcycle parts, tooling power parts, etc.</p> <p>Aluminum die Casting Manufacturer in china, Alumium Investment Casting Supplier in china, Aluminum die Casting Factory in china, Aluminum die Casting Exporter in china</p>
