

Pressure Die Casting manufacturer,China Pressure Die Casting,Pressure Die Casting

suppliers

Product Name:	Pressure cover sheet
Model:	QLD010
materials:	ZLD102
Weight:	Depending on the actual design Finish: Blasting, Polishing, Coating, Painting ?
Product Name:	Pressure sport Tower
Model:	QLD018
materials:	ZLD102
Weight:	Depending on the actual design Finish: Blasting, Polishing, Coating, Painting ?
features:	<p>The pressure die-casting particularly suitable for high volume runs, faster production rates, and cheaper component cost than other methods. Tighter tolerances, thinner walls and better surface can also be achieved. Our main products include auto parts, motorcycle parts, tooling power parts, etc.</p> <p>Pressure die Casting Manufacturer in china, Pressure die Casting Supplier in china, Pressure die Casting Factory in china, Pressure die Casting Exporter in china</p>
